Twenty Point Programme - Introduction

The Twenty Point Programme (TPP) was launched by the Government of India in 1975 and re-structured in 1982, 1986 and again in 2006. The restructured programme is called Twenty Point Programme-2006 (TPP-2006) and is being implementing in the State as per the guidelines issued by Ministry of Statistics and Programme Implementation, Government of India, from time to time.

The programme aims at eradicating poverty and improving the quality of life of rural and urban poor people. The Twenty Point Programme covers various socio-economic aspects like poverty eradication, employment, education, housing, health, agriculture, land reforms, irrigation, drinking water, protection and empowerment of weaker sections, consumer protection, environment, e-governance, etc.

The Ministry of Statistics & Programme Implementation (MOSPI) monitors the Programmes / schemes covered under TPP-2006 at National level on the basis of performance report received from State Governments and Central Nodal Ministries.

The restructured TPP-2006 consists of 20 points and 65 monitorable items. All the 65 items of TPP-2006 are not meant for reporting on a monthly basis. The items vary from State to State and from year to year. The performance of the States in the implementation of Twenty Point Programme-2006 was being ranked by the Government of India till 2009-10 and the ranking has been discontinued thereafter.

Each monitorable item is categorized in the category of “Very Good’, “Good” and “Poor” on the basis of monthly/yearly performance as follows:-

Sr. No.	Percentage achievement	Category
1.	2.	3.
1.	90% or more	Very Good
2.	80% to 90%	Good
3.	Below 80%	Poor

Planning Department in Government of Himachal Pradesh has been declared as a nodal department for coordination, review, monitoring and reporting of monthly / quarterly / half yearly / annual progress reports of Twenty Point Programme-2006 (TPP-2006).

In order to inculcate the spirit of competition among the districts for the effective implementation of TPP-2006, the State Government is ranking the performance of each district. Based on the ranking, an incentive award of Rs. 50.00 lakh, Rs. 30.00 lakh

and Rs. 20.00 lakh for first, second and third ranked district(s) respectively is being given by the State Government. The incentive money is used for the various developmental works.

The State Government gives top priority for the effective implementation and achievement of TPP targets. The performance of TPP is regularly monitored at State, District and below district levels.

In order to achieve the cent-percent targets in the implementation of Twenty Point Programmes and other Plan Schemes, the State Government has strengthened the monitoring mechanism from State to Sub Divisional Level. The State Government has constituted the committees at State, District and Sub Division Level to review periodically the performance of Twenty Point Programme implementation and other Plan Schemes so as to give benefit to the poorest of the poor without any delay.

The District Planning, Development and 20 Point Programme Review Committees headed by the Ministers/CPSs/MLAs review the progress of 20-Point Programme and other Plan Schemes in their quarterly review meetings. Besides, Deputy Commissioners / Additional Deputy Commissioners / Additional District Magistrates / District Planning Officers also review and monitor independently the progress of 20 Point Programme and plan schemes with the concerned district level officers of the districts in the various meetings.
